TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State, qualified to vote in Town Affairs

You are hereby notified to meet at the Town House, in said Town on Tuesday, the twelfth day of March next, at eight-thirty of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary for the maintenance of the poor, for the laying out and repairing of the highways, and for all other charges arising within the Town, and appropriate the same.
3. To raise and appropriate such sums of money as may be necessary for the support of the Fire Department and Public Library, and for Memorial Day.
4. To see what sum of money the Town will vote to raise and appropriate toward paying the Town Debt and interest.
5. To hear the reports of Agents, auditors and committees, or officers heretofore chosen, and to pass any vote relating thereto.
6. To see if the Town will vote to instruct the Selectmen to appoint a Police Officer, or as many as may be necessary, to preserve order in and about the public places of the Town; and perform other duties as may be required by the Selectmen, both day and night, and raise and appropriate money for the same.
7. To see if the Town will vote to accept legacies and gifts given to the Town in trust by any individual or individuals.
8. To see if the Town will vote to raise and appropriate the sum of Three Hundred and Ninety Three Dollars (\$393.00) (1-100th of 1% of the valuation of the Town) to the Monadnock Region Association of Southern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the Town, in cooperation with the other thirty-seven towns of the Monadnock Region.

9. To see what sum of money the Town will vote to raise and appropriate toward paying for electricity, both for power and lighting purposes, to be used at the new swimming pool on Union Street.

10. To see what sum of money the Town will vote to raise and appropriate for the suppression of Gypsy Moths, or any other insect pest.

11. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the use of the Town History Committee.

12. To see if the Town will vote to authorize and instruct the Selectmen to convey to the MacDowell Association a piece of land on Tenney Road, a town highway, in exchange for a deed to the MacDowell land on which the new highway is now located, or take any other action relating thereto.

13. To see if the Town will vote to place in the Capital Reserve Fund, the sum of Fifteen Hundred Dollars (\$1,500.00) from the Water Department receipts, to be used for major repairs and maintenance of the Town Water System in the future, or take any action relating thereto.

14. To see what sum of money the Town will vote to raise and appropriate toward the support of the Peterborough Band, or take any other action relating thereto.

15. To see if the Town will vote to raise and appropriate the sum of Sixty Five Hundred Dollars (\$6,500.00) for the purchase of a new Fire Truck or take any other action relating thereto.

16. To see if the Town will vote to authorize the Selectmen or their Agents to cause the South side of Putnam Park to be removed and raise and appropriate money for the same, or take any other action relating thereto.

17. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to rebuild Granite Street from Pine Street to Bridge Street, providing the State of New Hampshire gives Twenty Thousand Dollars (\$20,000.00) to complete the same, or take any other action relating thereto.

18. To see if the Town will vote to build a Town Garage to house the equipment belonging to the Highway and Water Departments and to raise and appropriate such sums as may be necessary for the construction of the same, or take any other action relating thereto.

19. To see if the Town will vote to continue the special Sewerage and Water Committee or take any action on the report of the Committee and to see what sum of money the Town will vote

to raise and appropriate for such work, or take any other action relating thereto.

20. To see if the Town will vote to raise and appropriate the sum of Fifteen Hundred Dollars (\$1,500.00) to construct a road in the Town right of way located in West Peterborough and known as "Overseers Row", or take any other action relating thereto.

21. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for a new pick up truck for the Highway Department, or take any other action relating thereto.

22. To see if the Town will vote to raise and appropriate the sum of Three Hundred and Eighty Six Dollars (\$386.00) to install new street lights on Main Street between the Bridge and the junction of High Street, replacing those now in use, or take any other action relating thereto.

23. To see if the Town will vote to install three new street lights located near St. Peters Church, Goyette Museum, and on Old Dublin Road and raise money for the same, or take any other action relating thereto.

24. To see if the Town will vote to raise and appropriate the sum of Twenty Five Hundred Dollars (\$2,500.00) to complete the section to the Town Line, on the road to Jarmany Hill in Sharon.

25. To see if the Town will vote to extend the Water System on Summer Street, from a point nearly opposite the residence of Earle H. Naglie to a point opposite the Boccelli property and to raise and appropriate such sums as are necessary to complete the same, or take any other action relating thereto.

26. To see if the Town will vote to raise and appropriate the sum of Twenty Five Hundred Dollars (\$2,500.00) for the construction of a new highway between Cheney Avenue and Wilton Road, or take any other action relating thereto.

27. To see if the Town will vote to raise and appropriate the sum of Twelve Hundred and Fifty Dollars (\$1,250.00) to reconstruct the highway located on the West side of the mill in West Peterborough, from the watering trough to the bridge, or take any other action relating thereto.

28. To see if the Town will vote to raise and appropriate a sum of money sufficient to purchase a snow loader of the mechanical type, or take any other action relating thereto.

29. To see if the Town will vote to accept and take over the road to east mountain from Bird Pond to the Old Mountain

Road as a public highway, or take any other action relating thereto.

30. To see if the Town will vote to instruct the Moderator to appoint four representative citizens to act with the Selectmen as an Airport Committee to cooperate with the Monadnock Region Association and other bodies in furthering plans for air service to this town and neighboring communities, or take any other action relating thereto.

31. To see what action the Town will take toward installing and maintaining a community Christmas Tree and to see what sum of money the Town will raise and appropriate for the same, or take any other action relating thereto.

32. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400.00) toward a Welcome Home Party for the returned Service Men and appoint a Committee to arrange with other organizations for the same, or take any other action relating thereto.

33. To see if the Town will vote to raise and appropriate the sum of Four Hundred and Twenty Five Dollars (\$425.00) to pay for the construction and maintenance of the Honor Roll for World War II, or take any other action relating thereto.

34. To see what sum of money the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

35. To see if the Town will transact any other business that may legally come before this meeting.

Given under our hands and seal this 25th day of February in the year of our Lord, Nineteen Hundred and Forty-six.

REPORT AND RECOMMENDATIONS OF THE BUDGET COMMITTEE FOR 1946

The Budget Committee, as in years past, has endeavored to get at the basic facts of the various proposals that come before the voters of the town for their approval or disapproval, for the express purpose of digesting what those proposals will do to the tax rate for the coming year.

The expected revenue from sources outside of property taxes for 1946 will be \$10,096.67 less than that of last year, which means that the total amount appropriated cannot exceed \$181,519.05 without increasing the present tax rate of \$28.25 per thousand.

The following recommendations are based on this salient point, and with the cooperation of town officials and the support of the voters at town meeting the town can have the things we most need at present, set aside funds for the things we are going to need, and thereby keep a balanced tax rate.

The School Board is asking the town to raise \$55,176.00. Due to the fact that the School District has an unexpended balance of \$3,448.00 as well as a reduction of \$5,200.00 on principal and interest, we feel justified in asking the School Board to reconsider, and ask for the sum of \$51,000.00, rather than the larger figure. Actually this means that the School Board will have available \$54,448.00 which is but \$728.00 less than they have anticipated which according to statistics would be more than offset by an expected increase in tuition receipts.

Taking the budget as posted and allowing for the above reduction the total becomes \$161,998.17. This leaves a total for proposed items not already in the budget, of \$19,520.88 at the most, in order not to increase our tax rate over last year.

The Budget Committee makes the following recommendations in the spending of the proposed \$19,520.88:

That \$5,000.00 be set aside in the Capital Reserve Fund for the building of a Town Garage and the sums be added to same, until such time as material and labor reach the point where the cost of construction will be within our means.	\$14,520.88
\$1,000.00 be appropriated for a new pick-up truck for the Highway Department.	\$13,520.88
\$386.00 for new decorative street lights on Main Street.	\$13,134.00
\$60.00 for proposed new lights to be placed near Goyette Museum, St. Peter's Rectory and La-Fleur Residence.	\$13,074.88

\$1,250.00 for proper preparation and surfacing of road at Verney Mill property from watering trough to bridge.	\$11,824.88
\$1,500.00 Capital Reserve Fund for Vine St.	\$10,324.88
\$1,000.00 Capital Reserve Fund for Water Dept.	\$9,324.88

Should the State decide to build Granite Street this coming year our share is expected to be approximately \$10,000.00.

Up to the time of our report the water extension on Summer Street and a road in West Peterborough had been discussed but no definite figures of details on which a decision could be made were forthcoming and in view of this we ask that they be put aside until the next year's town meeting when proper figures can be brought in in sufficient time for study.

In spite of the fact that no further State Aid roads, designated as Orange, can be built until the Sharon Road is completed, which means an expenditure of \$2,500.00, the Committee feels that it would be to the advantage of the town that this construction be put off to a later date, being aware there are no other State Aid Orange type roads to build.

In answer to the proposal that the town take over the operation of the Swimming Pool now operated by the State, we believe that it would be for the best interests of all concerned that the State continue in the operation of the Swimming Pool.

On the much discussed water and sewerage proposals, the Budget Committee feels that with the proper cooperation of the health authorities that property owners can be required to properly dispose of their sewerage in a manner which will not be detrimental to public health.

It is also considered advisable that steps should be taken to improve the present water system.

In closing we would like to call attention to the constant decrease of revenue from Interest and Dividends Tax and the continued rise in Old Age Pension and Town Relief.

Report of Adams Playground Commission

The Adams Playground Commission reports on the season past and the season ahead as follows:

1945 attendance—showed a definite increase over recent seasons. Supervised by Miss Gretchen Nickerson of Portland, Maine, returning for her second season, and assisted by Miss Edith Felix and Miss Mary Bellows, the children were instructed in games and crafts and skills. A chart prepared to record hours spent on the playground by each child was effective and revealing. Originally spaced for sixty-five names, it was necessary to increase the chart which finally totaled over one hundred fifty boys and girls. Each was credited with hours toward awards of red felt "P" letters and bars indicating records of achievement. Special events for each week aided in maintaining interest and were anticipated eagerly by the children.

Equipment—Considerable equipment was replaced, and there is now sufficient equipment to carry over another season with very little additional needed. There are adequate facilities for archery, croquet, horseshoes, badminton, volley ball, newcomb, softball, etc. The outstanding deficiency in equipment is basketball standards and balls, which could very well be the objective for the season ahead.

Property—As predicted by the Playground Report a year ago, extensive repairs were necessary and will continue to be so for several seasons. The two buildings on the property were repaired to the extent of replacing glass and sash, reboarding the outside where necessary, rehanging doors, reinstalling locks, replacing screens, etc. Finally both buildings, the benches at the baseball diamond, the flag-pole, the swings, teeter-boards, and all other outside equipment were thoroughly scraped, cleaned, and painted. Approximately \$150.00 was spent on property repairs and maintenance. It is to be noted that the next project is necessarily the baseball field and diamond. Through lack of labor it has been impossible to maintain it the past few seasons, and it now needs almost complete reconstruction. The additional appropriation asked for by the Adams Playground Commission is to cover this expense.

Playground-Pool. The state-owned swimming pool was again operated in cooperation with the Playground, and the co-ordination of the programs was supervised by Miss Nickerson. Also at the Pool was Miss Louise Rundlett, Mr. John Dacey, and Mr. Vernon Dube. Indicative of the training and instruction the boys and girls receive were the results of a state-wide competition at Manchester where our teams participated. Our competitors placed second in many events and were defeated only by the large city teams. No other community of our size or even many times larger has available to it the op-

portunities afforded our boys and girls by the swimming pool. How many lives have been saved or spared through proper water safety instruction is a matter of conjecture, and the joy and skill of our boys and girls is apparent to anyone visiting the pool during its operations.

In prospect, we expect the season ahead will shatter all past records. The return of service men, replacement of boys in summer jobs by older men and women, and the desire for supervised, wholesome, recreation will undoubtedly put new demands on Playground and Pool facilities. It is urgent that grounds and equipment be put into condition early in the spring. It is necessary too to recognize the fact that considerable effort and expense is ahead to rebuild and expand our Playground to fulfill the recreational needs of our people.

Respectfully submitted,

BELAND H. PEIRCE, Chairman

Adams Playground Commission

 Trustees of Trust Funds

February 4, 1946.

We, the undersigned Auditors of the Town of Peterborough, New Hampshire, hereby certify that we have carefully examined the foregoing Report of the Trustees of Trust Funds of the Town of Peterborough, pages 1 to 15 inclusive, and found it correctly cast and properly vouched.

FRANCIS B. DONOVAN
 HARRY WRIGHT
 Auditors

AUDITORS' REPORT

We, the undersigned auditors of the accounts of the Town of Peterborough, N. H., hereby certify that we have carefully examined the foregoing accounts of officers, committees and others having charge of moneys, for the year ending Dec. 31, 1945, pages 492 to 530 inclusive. With exceptions noted below, we found them correctly cast and properly vouched. The reports appearing for the Weston Memorial, James Smith and Amanda Richardson accounts do not pertain to funds held in the name of the town and for that reason were not verified by us.

Appropriations at the 1945 town meeting to the Highway Repair and Agent's Salary account totalled \$12,000. The selectmen's report shows this appropriation at \$11,500 and this smaller figure was used by them in determining the total 1945 assessment.

As in former years and dating back to a time prior to our incumbency, the balance shown by the treasurer, while in agreement with the First National Bank deposit to the credit of the town, is not a true balance. Neither does the Treasurer's "Cash Book", the form prescribed for his use in lieu of check stubs, take into consideration checks issued and not presented for payment during the fiscal year. Hence the town's year-end balance can be determined only by subtracting from the figure reported by the treasurer the total of all outstanding checks.

While this practice has disturbed us from the time of our first audit, we have allowed the weight of tradition to interfere with making previous comment. Furthermore, the matter is of importance only in the interest of correct bookkeeping. However, after taking counsel, we wish to include in the written record the following recommendations which with others we have already submitted verbally to the selectmen:

First, that no checks be issued by the treasurer except with written authorization from the Selectmen on their regular order form;

Second, that the Selectmen instruct the treasurer to enter in his cash book all checks in the order issued and to prepare future annual reports to reflect all payments made by the town whether or not checks for same are actually presented to the bank.

Totals given us as taxes and water rents uncollected were not verified on the assumption that their publication will provide an adequate check.

FRANCIS B. DONOVAN
HARRY WRIGHT

Auditors of the Town of Peterborough

Number of pictures circulated during year	161
Number of volumes repaired during year	247
Registrations during year	253
Reading room attendance	4,586
Periodicals and newspapers bought for Reading room	60
Periodicals and newspapers given to the Reading room	16

Appreciation is hereby expressed to the following friends of the library who have remembered it with gifts of books, magazines and flowers:

Books: Mrs. Harry M. Blood, Mrs. George E. Clement, Mrs. Charles W. Harrington, Estate of Dr. J. E. Hoyt-Stevens, Miss Esther Jackson, Mrs. Carl T. Keller, Mrs. Charles MacVeagh, Mr. Horace Morison, Mrs. Karl B. Musser, Dr. Fred S. Piper, Secretary of State, Union Congregational Church, Mrs. Sam Bass Warner, Rev. Arthur B. Whitney, Mrs. Sydney M. Williams, Mrs. William LeRoy Young.

Extra magazines: Mrs. A. C. Boyce, Mrs. Mary F. Holden, Miss Esther Jackson, Mrs. Carl T. Keller, Rev. James E. McKee, Mr. Carleton A. Wheeler.

Flowers: Mrs. Arthur E. Goyette, Mrs. J. Norton Hunt, Mrs. William G. Hunter, Miss Anna L. Jaquith, Mrs. Richard E. Simpson, Mrs. Max A. Thomas, Mrs. Fred P. Waite.

"Libraries are a vital part of the democratic way of life." Not infrequently they have been referred to as the most democratic of our American institutions.

Early last spring our library was honored by Mr. Hanson Hwang, technical advisor on films for the Harmon Foundation of New York City, coming to take pictures of the library for the United States department of State. The film, when completed is to be sent to China.

During Book Week, in November, we had an exhibit of children's books in the Public Service window. Of special interest was the different edition of Mother Goose, showing a facsimile of the second edition, 1794, down to the present time.

One day of this National Book Week, Miss Jaquith, again, visited the Central schools.

During the year, many books for extra reading, have been supplied the schools in town.

The New York Times and many other magazines are sent to the high school, each week.

In December, Miss Thomas' World Problems class in high school had an exhibit, "United Nations Project", at the library. This attracted much attention and favorable comment.

Pupils from the grade schools have visited the library for instruction.

Many valuable gifts have been given the library, the past year, among these, is a very fine picture of the late Mr. Eben W. Jones, a trustee for fifty years. This has been placed in the reading room.

A marble bust of Julius Caesar was presented the library by the children of the late Mr. and Mrs. Frederick Phillips.

A manuscript of the late Edward MacDowell was given by Mrs. MacDowell.

A framed letter, written in German, by MacDowell, when he was living in Germany, was also presented.

Photographs of the Teheran, Iran and Cairo Conference, of Japan, and the signing of the surrender aboard the U. S. S. Missouri in Tokyo Bay, donated by Lt. Eric M. Sanford. These are considered a valuable collection for future history of World War II.

Many of the discarded books were sent, by request, to the Citizens Committee of the Army and Navy, affiliate of the U. S. O. where they were greatly needed.

We are still working on the Army and Navy War records of personnel from this town; and again urge the service men or their families to send in photos and material for these permanent records.

"Reflect upon your present blessings, of which every one has many". Peterborough should consider its library one of them.

Respectfully submitted,

MARTHA E. CUTLER
Librarian

Water Superintendent's Report
12 Mos. ENDING DECEMBER 31, 1945

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of
Peterborough, Qualified to vote in District Affairs:

You are hereby notified to meet at the Town House in said District on Tuesday, the Twelfth day of March next, at 8:30 in the forenoon to act upon the following subjects:

1. To choose all necessary district officers for the ensuing year.
2. To hear all reports of agents, auditors, committees or officers heretofore chosen.
3. To raise and appropriate such sums of money as may be necessary for school purposes for the school year 1946-1947.
4. To see if the District will vote to elect a committee composed of the School Board and three other persons, or authorize and direct the Moderator to appoint a committee of three to serve with the School Board to study the question as to the possible purchase of the real estate owned by the American Guernsey Cattle Club, or any portion thereof, for school purposes, and to raise and appropriate a sum of money for the purpose of paying expenses that may be incurred in investigating and studying this question, or take any other action relating thereto.
5. To see if the District will vote to appoint a committee for the purpose of making a survey, with other towns, of the possibilities of establishing a community high school.
6. To see if the District will authorize the appointment of a committee of five to study, with the help of a firm of school architects, the present High School building as to its remodeling and/or expansion to provide necessary facilities, and to raise and appropriate a sum not to exceed \$500.00 for this purpose, or take any other action relating thereto.

7. To choose agents and committees in relation to any subject embraced in this warrant.

8. To see if the District will transact any other business that may legally come before this meeting.

Given under our hands this twenty-fifth day of February
A. D. 1946.

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE PETERBOROUGH SCHOOL BOARD

I enclose with this my twelfth annual report of the Peterborough schools, the schedule of teachers for 1945-46, the financial report of the school board and school treasurer, the school board's budget, and the other reports belonging to the school department.

The total enrollment of pupils shows very little change from last year. There is a slight loss in the senior high school and a corresponding gain in the first six grades.

The enrollment for last year as compared with the first half of the present school year is as follows:

	1944-45	1945-46
Senior High IX-XII		
(1st ½)	161	153
Junior High VII-VIII	77	77
	—	—
	238	230
Grades I-VI	200	210
	—	—
Total	438	440

There have been 65 tuition pupils enrolled in the high school, of this number 61 have attended during the entire first semester, but two of these pupils moved to Peterborough during the first term.

Three tuition pupils have been enrolled in the junior high, and three in the grades one to six, making a total of 71 tuition pupils.

Teacher changes have been larger during the past year than in any year during the past decade. With six new teachers at the high school in September and two changes since that time, and with five new teachers in the Central school our problem has been a large one.

Fortunately the changes in the Central school brought us a group of experienced teachers, two of whom had previously taught in that school, and as indicated in Mrs. Teed's report, the work of that school has been better than we dared expect when we were faced with the vacancies that occurred at the close of school in June, 1945.

The problem of the seventh and eighth grade pupils has been with us for a long time. Last year the division of these classes into homogeneous groups promised to be a solution of our difficulties, but as mentioned in Mr. Keach's report this problem has not been entirely solved. Much thoughtful study is now being given to this situation.

The meeting of the State Teachers Association which had been planned for October in Concord was cancelled during the summer.

There was however, a meeting of the Educational Council and Assembly of Delegates held on October 19th. Headmaster Keach represented the County Association in the Educational Council and the superintendent represented the supervisory union at the meeting of the Assembly of Delegates.

The school board budget for 1946-1947 calls for an increase in teachers' salaries to cover the increased cost of living.

The budget for the present year for salaries was \$35,000.00 but before our vacancies were filled the board had issued contracts amounting to \$37,430.00. This amount should be increased by at least \$2,500.00 to cover the salary increases that should be granted.

The estimate for minor repairs has also been increased to cover the cost of repairs that are already anticipated.

We should all appreciate the work that is being carried on by a loyal and professionally minded group of teachers. Much thought and study, together with experience is needed to solve the problems that confront our schools today.

We appreciate the co-operation of our parents and other citizens who have given us their loyal support during these difficult times.

LEWIS S. RECORD

Superintendent of Schools

February 8, 1946

REPORT OF HEADMASTER TO SUPERINTENDENT OF SCHOOLS

LEWIS S. RECORD

I submit, herewith, my report as Headmaster of Peterborough High School:

This year marks our return to education without some of the pressures engendered by the war years. Conditions do not suddenly revert to normal. Factors that have affected our educational system will continue to do so for some period of time.

We should not be pessimistic; on the contrary, we should be optimistic. To make our schools the best under the existing conditions is a challenge to citizens, parents, and teachers. We must satisfactorily meet this challenge to give our youth the educational advantages that will lead to a more abundant life.

The usual social and athletic events are being conducted this year. The use of the Congregational recreation hall, plus the fact that we have more men on our faculty, has made possible a more complete winter athletic program. We hope that it will

be possible to resume girls' field hockey this coming year, as well as having a spring sport for girls. It is also planned to have a cross country team for boys next fall. Large play areas are needed to accomplish a more general participation in athletics, an intramural program requires still larger areas. These are not available at present.

As was indicated in last year's report, when experienced teachers leave an institution, the school system loses the benefit of their experience and understanding of local youth, and their problems. We had a forty per cent turnover in 1944-45; it is again forty per cent this year. We now have only one teacher on our faculty who was here three years ago.

One teacher was added at the VII and VIII grade level this year. The high school staff was reduced by the equivalent of one-half teacher. The reduction affected the commercial department, resulting in reducing services in this department. It has also meant an overloading of the remaining teacher.

Some aid was given this year in harvesting crops; however, the program was not quite as extensive as in the past two years.

We are continuing the sale of Saving Stamps and Victory Bonds. As an educational project, it gives opportunity to save regularly; in addition, the pupils conducting the program gain practical experience in several fields.

The contribution by the American Guernsey Cattle Club makes possible the continuance of our low cost sale of milk and free milk to pupils in need of additional nutrition.

The English Department is doing much the same work as outlined in last year's report. Work is arranged by units and students know at least a month in advance what their work is to be. In Grades XI and XII, 25 points of outside reading are due each term. Points for each book are determined on difficulty of reading material and value of contents. For Grades IX and X, 20 points are due each term. Shakespearian plays are studied through use of syllabuses and recordings waxed by the Mercury Theatre Players under supervision of Orson Wells. The **Reader's Digest** is extensively used for current literature and current events.

The pupils in the commercial classes are gaining practical experience by doing clerical work for the Headmaster's Office, teachers, and as much outside work as is in keeping with the planned program that will promote their most rapid development. All practical work is done with the view of furthering the learning process which we feel is more important in education than production.

On November 26, nineteen pupils attended the International Relations Institute in Hancock. The sessions were devoted to social, economic, and political aspects of Europe and Latin America, and the racial problems in our own country.

While the World Problems Class was studying the U.N.O. and its charter, the Town Library cooperated by displaying the booklets which class members made to explain and evaluate the charter. In October the A. A. U. W. invited the class to send three representatives to the program by Foster Stearns on the Dublin Conference. These pupils later reported to class on the afternoon's program.

Visual aids are being used to a somewhat greater extent this year. A large percentage of the films is free except for transportation charges. The Jam Handy series on Aeronautics has been added to our film strip library this year. The Peterborough and Conant High Schools are planning to interchange use of their film strip libraries, which will benefit both schools.

The Student Council is carrying on this year in the same capacities as indicated in my report of last year. An interesting project assumed by the Council this year is the compilation of a student handbook.

The school paper, **Student Chatter**, organized last year, continues to provide "learning by doing" for those on its staff and interesting reading for its subscribers.

Vocational and educational guidance in the high school is much the same as in the past two years; however, it has been necessary to discontinue some parts of the guidance program in grades VII and VIII, due to faculty changes.

The increased sizes of classes in grades VII and VIII during the past two years led to a division of classes into "A" and "B" sections this year. This allows more study periods for both groups and also makes homogeneous grouping possible. It does not solve the problem of study pupils in the rear of recitation classes, neither does it allow for real supervised study periods. The problem of a large VIII grade class is temporary; however, provision should be made to meet satisfactorily a recurrence of the problem.

The Town Library has been helpful in lending books for use in the school. This has been especially helpful to grades VII and VIII. The work of committees on the educational survey was enhanced by the aid given by the library in obtaining educational books.

An innovation in our French classes this year was the use of the Sonadisc Language Course in French which included ten records and forty lessons in conversation. These records were obtained through the courtesy of Mr. Kenneth Jewett.

Teachers' meetings have been held on the average of twice a month. These meetings are for the purpose of discussing current educational topics and general educational problems within the school. Some of the topics considered during the past year have been individual pupil improvement, supervisor's visits, reading skills, and pupil assignments. The film, **Assign-**

ment Tomorrow, produced by the National Education Association, was shown to a combined group of Central and High School teachers on January 18.

National Education Week this year was featured by an "Open House" evening program at the high school. The program consisted of three periods of regular classes scheduled to follow as closely as possible the usual daily program. It was gratifying to have a group of nearly three hundred interested parents and citizens visit these classes.

The Educational Survey Report will, I believe, substantiate certain recommendations previously made by the administration. In addition, the report will undoubtedly contain new suggestions that would do much to improve the educational program. It is my hope that the findings of the survey will be given careful consideration by all citizens.

Respectfully submitted,

ELLIOTT W. KEACH, Headmaster

REPORT OF PRINCIPAL OF THE CENTRAL SCHOOL

I submit herewith my annual report of the Central School of Peterborough.

The enrollment at the Central School is one hundred eighty-two. This includes three tuition pupils from Sharon.

Seventy-six students are transported to and from school by bus. This number, together with twenty-three others, stay at school regularly for lunch. This total is increased by several more each day who receive special permission to stay.

During the winter months of 1946 our attendance was very poor, especially in the first three grades, due to prolonged illnesses and epidemics. The average time lost in grade one was seven weeks and four days, or about one fifth of the school year. This was very alarming and produced a real problem, especially in grade two of this year. Our Standardized Metropolitan Tests given in January show that most of the children of grade two are, at least, up to standard i. e. second year fifth month. These results could not have been attained without the untiring effort and sympathetic instruction of a skilled teacher, which we have in Miss Betts.

There were several changes in our teaching staff this year. We were very happy to welcome back to our corps of teachers Miss Hood as Mrs. Fontaine and Miss Soule as Mrs. O'Malley. Miss Baab came to us in September from West Springfield, Massachusetts, Miss Betts from Weston, Vermont, and Mrs. Barker from Hillsboro, New Hampshire. All of our teachers have had years of successful experience and we are looking forward to a very profitable school year.

Mrs. Clark studied at the Keene Teachers' College during the summer and received her bachelor's degree at the close of the summer session. She is to be congratulated upon this achievement.

Because of the efficient teaching staff I have been able to devote even more of my time to remedial teaching. Some of the results along this line have been very gratifying.

Ever since I came to the Central School, as principal, in February 1943 I have worked to obtain continuity of subject matter from grade to grade. It is impossible to obtain the desired results over a period of six years without very definite continuity of subject matter. There will be gaps and overlappings when well graded texts are not used throughout the grades. The skill and originality of the individual teacher has full swing in the method of teaching and supplementing the basal text. Reading was attacked first and, as my previous report states, the Gates System of Reading Instruction was adopted. All material recommended by the authors to make this system efficient is now used in every grade. The phonetic system which goes along with, but entirely apart from, this reading system is the Durrell and Sullivan method. This is being used in its entirety. We have complete continuity through the grades in language, arithmetic, spelling, writing, music, and physical education.

There are gaps in our geography, history, and health courses, especially in the first three grades, but this is not too serious a condition and will be remedied within the next few months, I hope. In choosing texts it is very important that they follow the Program of Studies as prescribed by our State Board of Education.

The Curriculum Foundation Series—Basic Studies in Science published by Scott Foresman and Company has been chosen as our basal text in Science. This is a new, modern, and most appealing series, and will add much to our curriculum. Books for grades one, two, and three are now on order and we hope to complete the set in grades four, five, and six next September.

With a building well organized for continuity, in subject matter, changes in the teaching staff should not affect the steady, even progress of the children from grade to grade.

An art supervisor could do much to enrich our courses in art. Our teachers are able to do certain phases of this work very well but art is a highly specialized field and much more could be done for all children, especially those with some natural artistic ability, under the direction of a skilled art teacher.

In May Dr. Everett Sackett, director of the school survey, supervised the giving of the Henmon-Nelson Tests of Mental Ability and the Progressive Achievement Tests. Because of the similarity of the Progressive Tests and the Metropolitan Achievement Tests which are usually given each January and

May, the May Metropolitan Tests were omitted. In addition to our regular testing program, as enumerated in previous reports, we have given the Reading Capacity and Achievement Tests by Durrell-Sullivan. These tests show each child's capacity for reading as well as his achievement in that subject. We have found the results very useful in our remedial work as well as in our classroom instruction.

During National Education Week, November 7-11 one hundred forty-seven parents and friends visited our school. Most of this number visited on Thursday and many remained for tea which was served at 4 o'clock by the teachers.

Our sale of stamps and bonds have been very good so far this year. Total sales amount to \$556.55 September through December.

Miss Jaquith made her annual visit to the school during Book Week. As always the children enjoyed her visit and gained much through it. Several classes visited the library during this same week. I wish to thank Miss Jaquith and Miss Cutler for their help and kind cooperation.

During the year the classes have taken a number of field trips. I feel these enrich the social studies and are very valuable. I wish to thank all the Peterborough citizens who have helped to make these trips meaningful experiences for the children.

Cod liver oil is being given to forty-seven children each morning. Milk and graham crackers are served at recess and milk is served at noon to those who wish it. The price is two cents for a half pint bottle.

Fire drills are given frequently when weather permits. We are able to empty the building in fifty seconds, using the stairways and both doors; in five minutes and twenty seconds using the fire escape only.

With deep appreciation I thank my teachers, Mr. Record, and the Board of Education, for their support and sympathetic understanding at all times.

Respectfully submitted,
ESTHER F. TEED, Principal

February 1, 1946

REPORT OF THE WEST PETERBOROUGH SCHOOL

January 1, 1946

The registration at the present time is 28 children, 9 boys and 19 girls. Since September the health record has been quite good, a few cases of chicken-pox just now though.

Many thanks for magazines to Miss Cutler and to Mr. and Mrs. William Ramsey, also to Storekeeper Dube and the "Ladies at the Home" for generous treats at Christmas. It was really a super-party and thoroughly enjoyed.

We are thankful to still be able to have the two old stand-by body builders, the milk and the cod liver oil.

Over a hundred dollars worth of bonds and stamps were purchased last year. We had a 100 per cent enrollment in the Junior Red Cross.

As always, our sincere gratitude to the kindly citizens of Peterborough for their interest in the West School.

Respectfully submitted,

KATIE NICHOLS

MUSIC DEPARTMENT REPORT

A special period for "Music Appreciation" has been added to the program for each grade in the Central School, this year. The usual theoretical and general music activities and work are being carried out and added stress is being placed upon folk dancing and rhythmic activity. At Christmas time a particularly effective idea of caroling from room to room was suggested, and the results were most pleasing.

The Central School Choir will present special numbers at the May Festival in which every member of the school will participate.

In the junior high school classes, one period a week is being set aside for a definite "Music Appreciation" course. Instrumental lessons are given to the junior and senior high school students.

A Boys' Glee Club has been added to the High School curriculum. The program has been arranged so that all the students who are interested may join the Mixed Glee Club, and there is a splendid membership.

The Boys' Glee Club, The Novettes, vocal soloists and the Mixed Glee Club presented a program at a club meeting in town and another program for the students in the Christmas Assembly. Five students are representing the Glee Club in the New England Music Festival Chorus Concert to be held in New Britain, Connecticut in March.

The Glee Club is to present another operetta in March.

Ten or more members are to represent the Glee Club in the New Hampshire Music Festival to be held in Nashua, New Hampshire in April. Baccalaureate and Graduation music will be provided by the Glee Club as in the past. The High School Orchestra will provide music at the operetta and graduation.

Respectfully submitted,

GERALDINE MARKHAM,

Music Supervisor

February 4, 1946

REPORT OF MEDICAL INSPECTOR AND SCHOOL NURSE

September 1944—June 1945

To the Superintendent of Schools and Board of Education, Town of Peterborough, N. H. The following is the report of the Medical Inspection Department of the Peterborough Public Schools for the year beginning September 6, 1944 and ending June 30, 1945.

1. DEFECTS: Defective Teeth—83, Unclean Teeth—90 Defective Gums—18, Orthodontia needed—11. CORRECTIONS: Dental Corrections at clinic—20, Dental Corrections—98, Other Dental Care—119. Total number having dental attention—237.

2. ENLARGED TONSILS: (a) Students needing immediate attention—34. (b) Students needing attention if they are bothered in any way by their tonsils—37. TONSILLECTOMY: During School Year—2, During the Summer 1945—18.

3. DEFECTIVE VISION—16. Number of Eye Strain—23. On retest number of eye strain—18. On retest number of eye normal—5. Vision examination of reexamination by specialist—69. At clinic new glasses fitted—5. New glasses fitted—18. Glasses re-fitted—37. Glasses not necessary—7. Other treatments for defective vision—1. September wearing glasses—73. June wearing glasses—91.

4. DEFECTIVE HEARING—2. (nothing to be reported.) Hearing loss of 9 or more units—0. Wax in ears—10.

This year we have had the use of the audiometer for hearing tests. It was found that some who were found with a hearing loss of more than 9 units, two years ago, had had treatment and their hearing had improved and in one case the hearing was normal.

5. ENLARGED GLANDS—1. Under treatment—1.

6. CARDIAC CONDITIONS—22. To be rechecked—12.

Some Cardiac conditions have been reported to parents, others were to be rechecked before any notice was sent, as they were very, very slight.

7. ATHLETE'S FOOT (Jr. & Sr. H. S)—44. Treatment—12.

8. ORTHOPEDIC—13. (3 Orthopedic cases are old ones, reported yearly.)

9. SPEECH—5. Treatment—0.

10. ACNE AND OTHER SKIN CONDITIONS—7. Treatment—4.

11. OTHER DEFECTS—37. Treatment—0.

12. Students not vaccinated—1.

13. Students having three or more unsuccessful attempts at vaccination—1.

Total number of students weighed and measured: Sept.—418. Sept. 10% underweight—76. Sept. 20% overweight—34. June—415. June 10% underweight—60. June 20% overweight—28.

Notices of defects have been sent to parents. The School Nurse has also contacted parents about their children's defects by phone or by a visit to the home. We have especially stressed DENTAL CARE this year. The local dentists, although very busy, have held clinics for our school children. The children have been contacted at least once a month about their care of their teeth by the nurse. More dental appointments have had to be made as we could not have as many clinics as in other years.

Dr. Shirley Dwyer was scheduled to talk on "Teeth" this year, but due to the bad weather the date had to be cancelled.

A Dental project was carried on at Central School by the classroom teachers of grades 3, 4, 5, and 6. At the end of the year Dental Certificates were given to those who cared for their teeth, properly.

The Service of Cod Liver Oil began on December 5 at West Peterborough and the Central School. It was discontinued at the West Peterborough School and Central School on April 13.

The Milk distribution at West Peterborough and Central began on November 6 and ended April 13.

All school children have been weighed and measured at least twice.

HEALTH POSTERS: Grade 1, "We Eat Fruit" Grade II, "We Brush Our Teeth"

Health Inspection has been carried on daily by the classroom teachers under the direction of the principals.

The Dental Tonsil and Eye Clinics have been sponsored by the C. S. H. Fund Committee of the P. T. A. and parents as usual.

Seniors and Juniors were privileged to be given the Patch Test for Tuberculosis under the direction of Mrs. Aiken and the co-operation of the N. H. Tuberculosis Association. Number taking the test (April 9)—60.

Home Visits—94. Phone Calls—365. First Aid—143. Number of visits to Schools: By Medical Inspector—15. By School Nurse—359.

Attendance has been checked and a make-up slip has been given to any students in Junior and Senior High School, whose absence was on account of illness.

Supplies have been ordered for the first-aid cabinets in each school.

Interviews by the School Nurse—2315. Special Examinations by the Medical Inspector at his office—22. Individual Inspection or First-Aid at his office—4. Exclusions from school on account of communicable diseases—271.

The Medical Inspection Department has complied with the local and State Boards of Education and Health on Isolation and Quarantine.

Miss Elizabeth Murphy, R. N., has visited our department several times this year, and has helped us to procure financial aid for a tuition student needing dental care through their Department of Child Welfare, as has also the Department of New Hampshire, American Legion Auxiliary through their Child Welfare Department.

A disease census card and a health card are on file for each student. Heights and weights are recorded on the Physical Growth Charts.

The Secretarial and Office Practice Class under the direction of Mrs. Richardson has assisted us in all clerical work. The school nurse was given the assistance of one member of the class for the morning check-up on attendance at the High School Building. Sixth grade girls of Central assisted in preparation of younger children for physical examinations at that school.

At this time the Medical Inspection Department wishes to thank all Organizations contributing to the C. S. H. Fund sponsored by P. T. A. We have had less call for clothing, shoes and milk this year. However, we wish to thank the Salvation Army and Samaritan Society for their services. We also extend thanks to the State Department of New Hampshire, American Legion Auxiliary, State Department of Child Welfare for their financial assistance for dental care of children outside of the Peterborough District, and express appreciation for the co-operation of:

- (1) The Public Welfare and Health Departments,
Local and State.
- (2) The P. T. A.
- (3) The Superintendent of Schools, Board of Education (Local and State), the Headmaster, Principals and Teachers.

We are very grateful to the Doctors, Dentists, Eye Specialist, and the Peterborough Hospital Staff for their services and to all students and employees who assisted in the program.

Respectfully submitted,

DONALD M. CLARK,
Medical Inspector

OLA MYHAVER, R. N.
School Nurse

February 4, 1946

PETERBOROUGH STATISTICAL SUMMARY

School Year 1944-45

Whole number different schools maintained full year	10
Teaching positions: (a) filled by men	4
(b) filled by women	15
Changes in year	3
Different individuals employed: (a) men	5
(b) women	18
Different pupils registered	457
Previously registered elsewhere	18
Not previously registered: (boys)	212
(girls)	227
Half days lost: average	26
Half days in session	344
Pupils between 5-8 years of age	72
Pupils between 8-14 years of age	205
Pupils between 14-16 years of age	96
Pupils between 16-21 years of age	66
Pupils over 21 years of age	0
Per Cent of attendance.	91.12
Pupils not absent or tardy during year	8
Cases of tardiness	672
Number 8-14 not attending any school	5
Non-resident pupils in elementary schools	15
Non-resident pupils in secondary schools	71
Pupils transported at district expense	155
School houses used during year	3
Average salaries of teachers:	
Secondary men	\$2,570 00
Secondary women	1,562 00
Elementary men	2,300 00
Elementary women	1,398 00
School Board meetings	25
School visits made by Board Members	29
School visits made by Superintendent	359
School visits made by Citizens	349

REPORT OF THE SCHOOL BOARD

The high light in the educational history of Peterborough for the year 1945-1946 relates to the school survey which was authorized by the School District voters in an earlier year. This report is now in preliminary form and will appear, probably before this report can be read, in written form for the residents of Peterborough. The original intention and purpose of the survey was to formulate a plan for the type and extent and cost of a school building sufficient for housing the grades and calculated to take care of all foreseeable changes in the school system for at least the next twenty-five years. This survey has been conducted by Dr. Everett B. Sackett of the University of New Hampshire, a man who has had considerable experience in this line of work with a good background in various educational activities. To assist Dr. Sackett in the conduct of this survey many of the townspeople contributed very generously of their time and effort to study certain aspects of the curriculum, methods of instruction, etc., and to this group the School Board extends its thanks for their participation. Also our thanks too to the superintendent, headmaster and principal and to all the teachers who took an active part in the survey.

The survey has created a great deal of interest on the part of parents and others in our school system, something which we feel is very worth while and should be encouraged in every way. Aside from the survey it is gratifying to report that there were one hundred and forty-seven visitors in the grades during National Education week and a large number responded to the call of Headmaster Keach and the special evening session held on November 15th. The School Board hopes that this practice of looking in on the school and conferring with the teachers will be more and more the custom in the future.

At the Central School, there is much needed in the way of repairs and some of these will be expensive if they are made in a complete way. For example the headers on both boilers in this school are cracked with a consequent leakage of steam and some loss in the heating power for the amount of coal burned. Bricks in one of the chimneys have fallen during the year with a resulting danger to the children who were at play. This was the result of a wind storm, which only showed toward the close of the year. The loose bricks now have been removed and there is no danger at the present time to the children on the school playground.

The Board has thought it wise to place public liability and employer's liability insurance to safeguard the town from any claims which might arise in case of injuries. The School Board has also joined with the selectmen of the town in the boiler insurance, an arrangement which will result in a savings from the more favorable rate derived from the combination of the two.

On the less favorable side of the school picture we are obliged

to report that there was an unusually large turnover of teachers over the previous year. About one half of our teachers have changed from Peterborough to some other place of teaching. For causes of this we suggest that you read that section of the survey which deals with this particular feature. In order to adequately take care of the 7th and 8th grades, which grades are large this year, the School Board has assigned two teachers to handle these grades as against one teacher plus part instruction by the high school teachers formerly. The commercial classes are handled for the most part by one teacher. The net result of this re-arrangement is to increase the teaching force by one half teacher who teaches in the afternoon only.

We would call your attention in the survey to the high cost of instruction in the Peterborough High School in comparison with certain other towns. We feel that this condition may be somewhat corrected in the future by combination of classes which are sometimes small, elimination of certain subjects in the curriculum and by other means.

It is pleasing to acknowledge a gift of a Fisher Baby Grand piano by Walter S. Packard. This is used at present on the High School stage, both for the Glee Club, Parent Teachers Meetings and other activities of the school. This gift is much appreciated.

September 11, 1945, Mr. Winslow C. Morse was appointed to fill the vacancy caused by the resignation of Mr. Donald K. McLeod who has moved to Wilton. The School Board takes this opportunity of acknowledging Mr. McLeod's many contributions and years of service as a School Board member.

As this report is being finished, Superintendent of Schools Lewis S. Record has advised our board that he is asking for retirement at the completion of the present year under the law covering New Hampshire State employers. Mr. Record has had twenty-eight years of service in the state, the longest consecutive service of any New Hampshire superintendent. In 1918 he was elected to head the Jaffrey-Rindge-Troy-Fitzwilliam supervisory district. In 1934 Peterborough became a part of a newly formed union and Mr. Record has had the supervision of our schools since that year. The members of our board are grateful for the many years of his honest and faithful administration of our public schools.

Again we express our appreciation to all the citizens for their interest in our public school system and particularly those who worked on the school survey. To all loyal and cooperative teachers, and to understanding and helpful parents and friends of our school system, we extend our sincere thanks.

MARY A. MORSE
WILLIAM L. MACDONALD
WINSLOW C. MORSE
Peterborough School Board

PETERBOROUGH SCHOOL BOARD'S BUDGET

For 1946—1947

PETERBOROUGH SCHOOL DISTRICT

	Proposed 1946-47 Budget	Raised 1944-45
Support of Schools:		
1. Teachers' Salaries	\$39,933 00	\$35,000 00
2. Books and Supplies	2,400 00	2,400 00
3. Flags and Appurtenances	20 00	20 00
4. Other Expense of Instruction	400 00	300 00
5. Janitor Service	3,335 00	3,335 00
6. Fuel	2,000 00	1,800 00
7. Water, Light & Janitor's supplies	1,400 00	1,300 00
8. Minor Repairs and Expenses	1,200 00	1,700 00
9. Health Supervision	1,100 00	1,050 00
10. Transportation	5,850 00	5,600 00
11. Other Special Activities	200 00	150 00
	<hr/>	<hr/>
	\$57,838 00	\$51,655 00
Other Statutory Requirements:

PETERBOROUGH HYMN
A. D. 1620

God our Father!
 Glory, Lord, to Thee!
Before whose voice
 Is mute the thund'ring sea!
Through wind and foam
 Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.

Christ, our Saviour!
 Father of our Faith!
To Thee we bring faint hearts and failing breath,
 Be Thou our Guide!
 With Thee we bide,
To love, to labor, and to hope till death!
